Dear Friends of HWIL:

Greetings! **Hispanic Women In Leadership (HWIL)** is a Houston based 501c3 non-profit women's organization chartered in August, 1988. The Mission of HWIL is to encourage and promote the development and advancement of all women with primary emphasis towards Hispanic women and youth in the areas of education, health, leadership and professional development.

HWIL develops a network of women for professional interaction, identifies role models and community leaders, provides a forum for Hispanic women's issues and encourages Hispanic women to embrace and celebrate their cultural heritage.

Over the past 27 years, HWIL has promoted the education of women and has inspired and empowered many of Houston's present day women leaders and executives. Yet, in looking forward towards the prosperity of our city and our citizen's standard of living; the opportunity for success relies in our ability to provide an opportunity to be educated.

Please help us turn those opportunities into realities, this year we would like to invite you to participate either by your attendance or Sponsorship of our upcoming educational funding endeavor.

**Hispanic Women In Leadership's
"Excellence in Education Scholarship Luncheon"**
Keynote Address-

Cecilia Phalen Abbott – Texas First Lady

**Welcoming Remarks – Esteemed Texas State Senator Sylvia R. Garcia, District 6
Opening Remarks – Honorable Eva M. Guzman, Texas Supreme Court Justice**

Attend our event and help us give a warm welcome to Mrs. Abbott, our first Hispanic, Texas First Lady. Your community stewardship towards this event could be the difference in "just one more scholarship, one more opportunity" which would assist a local youth attending college for the first time or help to decrease the burden of the homebound or working woman wishing to return to an institute of higher learning to complete her education.

Please refer to the program's Contributor Levels attachment for additional information about Sponsorship opportunities. Thank You for your time and attention, **we gratefully welcome and applaud your participation!**

HISPANIC WOMEN IN LEADERSHIP
